

Welcome to Winning Finish Car Wash,

San Francisco's best Express Exterior Car Wash

□

□

Who knew you could get a decent car wash in San Francisco for only \$6.00??

We are committed to providing fast, convenient, inexpensive, gentle, responsible cleaning of your vehicle.

□

Fast – Usually 5 minutes or less. Our automated, conveyORIZED wash system allows us to efficiently process cars at a rate of one per minute, ensuring a quick in-and-out, even during peak times.

Convenient – Our location at Ninth & Howard (next to the Chevron Station) is right on your way. Open seven days a week, rain or shine (except Thanksgiving, Christmas, and New Year's Day). And you never have to leave your car!

Inexpensive – Just \$6.00 or \$8.00! Every customer gets a quick high pressure pre-clean from our friendly attendants, and a moist towel to wipe down the inside of your car.

And our powerful self service vacuums are only \$1.00!

Environmentally Responsible – We follow the car wash industry's best standards for water use, and use biodegradable cleaning solutions from industry leader [Kaady Chemical Corporation](#)

Gentle – Safe, soft cloth cleaning and drying. Automated equipment by [Hanna Car Wash](#), and [Washlink Systems](#)
